

I am very excited to have the privilege of teaching Spanish for L'Anse Creuse Public Schools for the remainder of 2023-24. This is my 11th year of teaching Elementary Spanish in addition to a variety of subjects over the course of my career since 1990. As we continue the school year, I would like to expose students to the wonderful world of Spanish. We will follow the LCPS Spanish curriculum. Students will have access to my collection of resources to assist in learning the language and culture of the Spanish-speaking world through mrsdzwengspanish.weebly.com.
